**COVID-19. A message from our CEO**

Given the unprecedented situation which we are all now facing with the impact of the COVID-19 virus on our country, I am writing to inform you of how we are managing the rapidly evolving situation within Stellar Asset Management.

The wellbeing of our team and the performance of the investments under our management is our top priority. Our team has been successfully operating remotely for the last week. We have the systems and technical support in place to continue working in this way for as long as is necessary. To ensure continuity and consistency of service, there are contingency plans in place to cover any staff absences.

Our focus on managing investments is as strong as ever. There is an update on each of our services following this message.

If there is anything that we can do to help you, or if you have any questions, please contact us on [0203 195 3500](tel:02031953500) or email [enquiries@stellar-am.com](mailto:enquiries@stellar-am.com) and we can arrange for you to speak with a member of our management team.

We wish you well.

Jonathan Gain  
Chief Executive
